

We Are, We Seek

We Are a pastoral-sized parish that cherishes its welcoming, small church, friendly, family atmosphere.

We Seek a Rector who will be a pastor and shepherd living among us to lead us into deeper relationships with God and each other.

We Are a people ready for, and desiring, growth in numbers while retaining a family feeling.

We Seek a dynamic leader who will empower us in attracting and retaining new members while preserving the sense of community that is the essence of St. Patrick's.

We Are a church of abundant gifts, talents, diverse opinions, and varied religious backgrounds.

We Seek a visionary leader who is an open-minded listener willing to incorporate and promote the gifts and talents of laity in our ministries, and who is willing to help create a learning and inclusive environment for children and adults.

We Are Christ's hands and heart to God's people in outreach, prayer, and healing ministries.

We Seek a Rector who exhibits strong faith and is enthusiastic about doing the Lord's work in everyday life.

We Are a church with passionate leaders in our ministries.

We Seek an effective leader who will help us promote healthy and thriving ministry programs by supporting strong and broad parishioner participation.

We Are a parish with a blended service using creative and joyful expressions of liturgy in our music and sacraments.

We Seek a Rector who can maintain our current style of blended worship while exploring multi-media, arts, and emerging worship elements.

We Are a people needing to be challenged in our practical and spiritual life.

We Seek a partner in mutual ministry who respects where we have been, where we are now and will, in love and humility, lead us into the future.

We Are a thriving community of faith where ordinary people are empowered by God to do the extraordinary in Christ's name.

We Seek a Rector with administrative, development and church growth skills who is willing to commit to help us stand as a beacon of light drawing people to God.

*We will lift up our new Rector in prayer and service with our time and talents,
giving of our abundance to do the work God has given us to do.*
