Gather for delicious fall soup and fellowship

6:30 - 7:30 PM

Adults - Hear personal stories of members who have received unexpected blessings and been blessed by giving back in service to others

Children - come and discuss blessings in your own way. We will facilitate this discussion using Godly Play materials and stories.

How has God blessed your life?
How can you use that to bless the lives of others?

That's **stewardship** ...

outreach.

Come and be Blessed!
