Invitation to Local Businesses

St. Patrick's Episcopal Church is pleased to announce we will be hosting our third annual Trunk or Treat event on Saturday, October 20th, from 3:00 – 7:00PM. Since this event can offer great exposure for business, we wanted to give local organizations and businesses the opportunity to get involved. St. Patrick's is located at 1221 State Road 13 in Saint Johns, between Race Track and Roberts Roads.

Our goal for this family-fun event is to build community, support local businesses, and help local families in need. Proceeds from this event will benefit children's ministries and our own Feed My Lambs Ministry, which provides food, clothing, etc. to families within St. John's County.

The 2018 Trunk or Treat will feature many exciting activities for the entire family including contests, games, raffle prizes, entertainment, excellent food, prizes and more! Donations will be accepted and there will be opportunity to participate in raffles, otherwise this event will be FREE to the public. The event will be advertised throughout St. John's County and on social media sites.

There are many ways for you to get involved:

- Donate items for our raffle prizes
- Join other local businesses as a sponsor of the event
- Participate in giving out "treats" to kids as one of our "trunks" promoting your business
- Help us spread the word to the community about the event
- Join us by attending the event with your family.
- Come and have fun with us!

All of these options allow your organization to get in front of hundreds of people on the day of the event, and you will also be helping us in supporting a great cause. Last year we had over 800 attendees, doubling the attendance from our initial event in 2016! This year we expect even more!

Please contact our office if you have any questions or would like to participate. Space may be limited this year. Raffle Donations, Trunks and Sponsorship deadline is October 12th. Our office administrator can be reached at (904) 287-2807 or by email at jen.stpatricks@gmail.com
